

PK Design Lab Limited Warranty

PK Design Lab warrants that, subject to limitations on electronic and LED components, PK Design Lab branded hardware illumination product ("Product") and accessories ("Accessories") contained in the original PK Design Lab packaging will be free from defects in materials and workmanship when used normally and in accordance with PK Design Lab's published usage guidelines for a period of ONE (1) YEAR from the date of original retail purchase by the end-user purchaser ("Warranty Period"). PK Design Lab's published guidelines include but are not limited to information contained in technical specifications, user manuals and service communications. This limited warranty does not apply to defects caused by anything which is deemed abnormal, abusive, or improper including any fault resulting from any accident, improper use or improper service. If a defect that is covered by this Warranty is found, PK Design Lab will, at its option and in its sole discretion, either repair your Product or replace it at no charge, with the same PK Design Lab product or a PK Design Lab Product of comparable specifications and value. PK Design Lab's liability under this warranty is limited to the repair or replacement of the defective product and in no event shall PK Design Lab be liable for consequential or indirect damages to goods, property, equipment or personnel. Nor shall PK Design Lab be liable for damages to the Product or for personal injury caused by misuse, overload, accidental damage, alteration, improper usage, or disassembly of the Product's LED or electrical components. Under no circumstances will PK Design Lab be responsible for any direct, indirect or consequential damages due to errors in usage or failure of our product to perform properly. This Warranty is non-transferable. Proof of purchase is required for warranty fulfillment.
